**PARENT/GUARDIAN:** While every effort will be made to provide students with their most desired elective choices, **placement depends on staffing, enrollment, and the possibility of scheduling conflicts.** Please consult with your child's school counselor to assist you in selecting courses that are best suited for your child's learning needs. Additionally, an intervention support class may replace 1 half-year elective if a student is not demonstrating consistent mastery of grade level skills. Students who fail an SOL test may be required to take an academic preparation elective.

I understand that the school reserves the right to change a student's schedule based on scheduling needs, course availability and/or conflicts. Your signature below indicates approval of this course selection sheet. **Any changes to this course selection sheet must be made prior to 01/24/2024**
